The general procedure...

In India we can buy Ex-works loaded in containers / trucks other countries Fob port of CNF terms only.

If you are a genuine seller you have to:

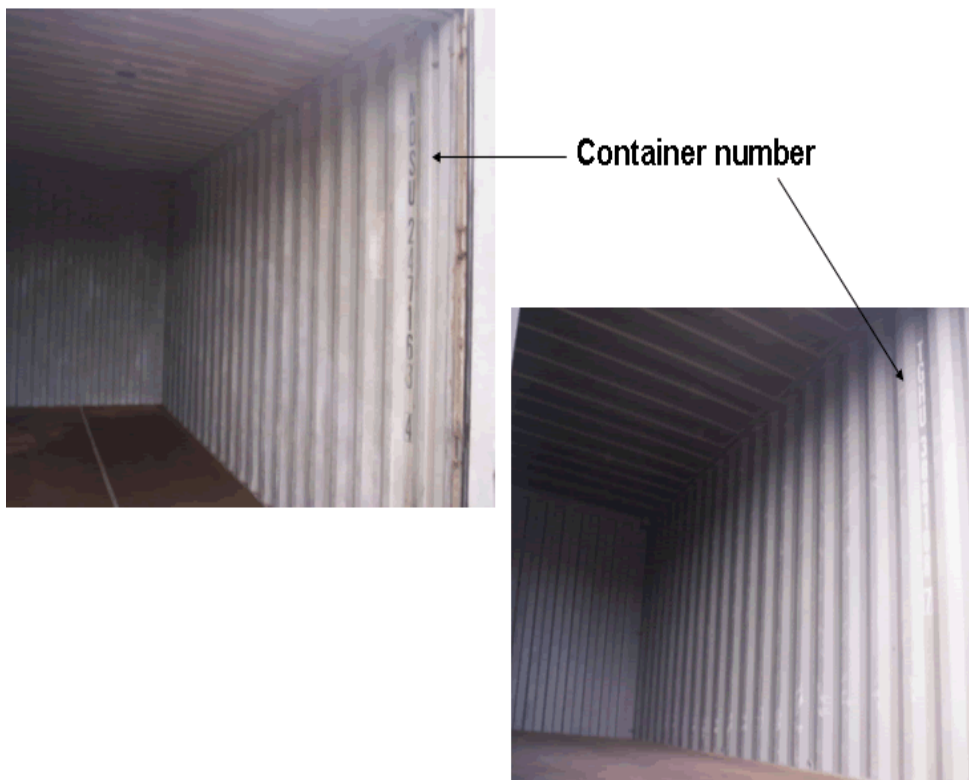

1. Send photographs of scrap with specifications of material and closest port name from which you intend to ship.
2. Please also send ocean freight rate of 20' container to the following ports in India: Kandla and Nhava Sheva, as we accept shipments on these two ports only.
3. What kind of payments terms you expect LC, Cash or CAD through bank and what price are you offering per metric ton.
4. Now you will receive a phone call from one of our representative for finalizing the deal.

What you will be expected to do after closing the deal?

1. You do not need to get SGS or any kind of quantity or quality inspection done. We will get it done ourselves from one of the inspection companies approved by Indian customs.
2. You will have to book containers and load them and give them to us FOB basis where we can pay the freight or can give us CNF basis on Indian port i.e. Kandla / Navashiva.
3. Take pictures.

How do you have to take the photographs at the time of loading?

Picture # 1: The container has to be empty and container number inside should be visible.

Picture # 2: Half loaded container and container number inside should be visible.

Picture # 3: Full loaded container with both doors completely open.

Picture # 4: Full loaded container with half door open and the number side closed, so that the

number is clearly visible and the material is clearly visible in the other side.

How will you be paid?

Now that you have understood the procedure you might want to know how would you be paid.

1. We can pay you cash after the loading on the receipt of the following documents:
 - a) Commercial Invoice
 - b) Origin Certificate
 - c) Packing List accompanied by the a computerized weight slip showing net, tare and gross weight of each container.
 - d) Bill of Lading with instructions on it that there is 14 free days at port of discharge. (To be made as per our instructions)
 - e) Certificate from Sellers on their company's letter head that there is no explosive and war material in the container shipped to buyers.
 - f) Pictures of each containers as instructed above
2. You can send all these documents to our bank for payment against documents, through our bank or you can send these documents directly to us. If you have account with our company and you have sent the documents directly to us then in this case the payment will be sent by telegraphic transfer within 24Hrs of receipt of documents.
3. You can also choose to work on LC if you wish. We can give you a non transferable LC in your favour on a conditional PB of 1% Percent from your side. The negotiating documents will the same as above in case of LC.

We need one set of pictures for each container loaded.

1. Once you are ready with all documents and photographs and computerized weight slips showing gross, net and tare weight of each container, please also send a copy to Kasturi at the following email address for verification
Email address: jrdind@swift-online.com
